SPACE COAST TRANSPORTATION PLANNING ORGANIZATION TRAFFIC COUNTS

Questions? Please contact TPO staff at 321-690-6890

The Space Coast Transportation Planning Organization annually collects traffic counts that are used for a variety of transportation monitoring programs, local government concurrency management systems, the Florida Department of Transportation, private citizens and local businesses. The TPO's consultant collects forty-eight (48) hour directional traffic counts by fifteen (15) minute intervals at specified locations. All counts are taken during the weekday period from 12:01 AM , Monday through 12:00 Noon Friday.

Explanation of header information:
